EDUCATION

BS Computer Science
Virtual University Of Pakistan

07/2017 - Present

WORK EXPERIENCE

AWS Educate Student Ambassador
Amazon Web Services

2020 - Present
Amazon
Achievements/Tasks

- I am an active AWS Educate Student Ambassador. I help students to learn cloud computing. I am managing a local AWS Community Pakistan which is now working with more than 26 universities from across Pakistan and started a six-month course with Microtechx Pakistan for students.

SQA Intern
Afiniti

08/2020 - 09/2020
Achievements/Tasks

- During this internship, I worked closely with other testers, developers, and end-users throughout the software life cycle. Performed testing using a variety of test methodologies including manual testing. Detected and tracked software defects and inconsistencies. Assist with scanning and filing of documentation as needed.

Aws Community Pakistan
Community Lead

2020 - Present
Achievements/Tasks

- I as an AWS Educate Ambassador from Pakistan took the Initiative to form a Community of Cloud Enthusiasts. I am proud to start and Lead this Volunteer run Community which includes 16 Ambassadors and above 3000 members around the country Our Vision is to Promote AWS and Cloud Knowledge to Pakistani Students.

Google DSC Program
Google

2019 - 2020
Achievements/Tasks

- During this prestigious program, I was involved in conducting various sessions and seminars for students to reduce the gap between academia and industry.

SKILLS

HTML, CSS, JavaScript, Bootstrap, JQuery, C++, WordPress, React.js, Git, GitHub, GitLab, CI/CD Pipelines, Amazon S3, Amazon EC2

PROJECTS

Aws Community Website

- As an AWS educate Cloud Ambassador, I recently developed a website with my team for our local AWS community. Amazon Web Services has officially featured our website in its community section. https://awscommunity.pk/

CERTIFICATES
